

COLORIFIC STATEMENT ON UNIFORM INK

Confirmation that Colorific Eite and Colorific Fresh are both chemically identical, and come from the same production line as Uniform Activasol and Uniform Citrosol inks.

UNIFORM to COLORIFIC MARATHON to SNICKERS

Colorific can confirm that Colorific Elite ink is not only chemically identical to Uniform Activasol ink, but comes from the same production line.

Colorific can confirm that Colorific Fresh ink is not only chemically identical to Uniform Citrosol ink, but also comes from the same production line.

The only difference between the inks is the label. In all other respects the inks are completely identical, and therefore directly interchangeable.
